

# Special Thanks

The Construction Institute would like to thank all of the many companies, organizations and individuals that make the Annual Construction Institute Golf Classic one of the most successful single day tournaments in Connecticut.

We invite you to enjoy your day with construction and facilities community colleagues from around Southern New England. Please feel free to bring along a friend or industry associate who you think would benefit from Membership in the Construction Institute.

*H. Peter Shmigelsky*

 Register on-line at [www.construction.org](http://www.construction.org)

# Proceeds

Today's event supports the Construction Institute's Student Initiatives to attract and educate the future workforce of the construction industry. With your support the Institute participates in the CT ACE Mentor program and CCIA career days, funds CI's "Construction Issues" course, and has supported "Engineers Without Borders" and other student activities at the University of Hartford's Combined Engineering, Technology & Architecture program.
